

Guidelines for Kwansei Gakuin University Graduate Program Admission through Partner University Nomination -2021 Spring Application-

Kwansei Gakuin University (KGU) has an admission system which accepts excellent international students from our partner universities nomination. In this admission, KGU offers a scholarship covering the admission fee and the full amount of tuition for the standard length of the program (2 years for master's programs, 3 years for PhD programs) to a designated number of successful candidates. In addition, KGU will nominate the recipients of this scholarship to the Japanese Government (MEXT) Scholarship which gives them a monthly allowance, etc. (As the nominees need to satisfy qualifications and conditions designated by MEXT, KGU cannot guarantee the acceptance of a MEXT Scholarship.)

For 2021 Spring Application, we will accept 1 candidate for SGU-MEXT Scholarship. Please read the guidelines below carefully, and nominate excellent students who are interested in studying at KGU.

The Graduate Course in UN and Foreign Affairs Studies

The Graduate Course in UN and Foreign Affairs Studies is a program of Multidisciplinary Studies for graduate students that aims to equip students with the practical knowledge and skills necessary to become future civil servants at international organizations. Classes are conducted entirely in English, and taught by professors with extensive expertise in foreign affairs and diplomacy. If you wish to take this course, please contact the Integrated Center for UN and Foreign Affairs Studies for more details in advance.

During their time in the course, students will gain valuable experience through internships at UN agencies, international NGOs, the Ministry of Foreign Affairs and other governmental organizations. Please note that you will not be nominated for the MEXT scholarship if you are planning to do an internship outside of Japan for a duration of more than 90 days. In addition, under certain circumstances you may not be able to receive the monthly allowance and your flight tickets for internships will not be paid for.

(3) Tuition Reduction and Scholarships

Nominees who have been accepted to KGU's Graduate Program, and who are not selected as a recipient for the scholarships above (1) (2) are eligible for the following financial support;

◆Tuition Reduction

International students whose status of residence is "Student" are entitled to tuition reduction (the reduction is 30% in 2021; however, the reduction after 2022 is subject to change).

◆KGU International Student Scholarship

KGU also provides scholarships for international students who are in need of financial aid and maintain high academic standards. Details are as follows:

Tentative selection before university entrance: 50% of the total amount of tuition

Selection after university entrance: 35% of the total amount of tuition

“Tentative selection before university entrance” is a system for selecting students to receive conditional scholarship placements before entering KGU. Approximately 40% of students will receive a conditional offer for this scholarship based on their academic records, graduation thesis, and the results of their entrance examinations. The university targets candidates who are expected to conduct outstanding research after enrollment. Selected candidates will be notified before their enrollment into the program. However, it is necessary for students to meet all requirements such as status of residence, etc., in order to be officially selected to receive the scholarship.

Various scholarships from foundations/organizations are also available other than the scholarships mentioned above.
